

The Cat Song

Autor: Paul Elwood

I wish I was a cat
I'd lie around all day
In a soft white coat
I'd lie around all day

But I don't want to eat catfood
I don't want to eat catfood
I don't want to eat catfood
I'm glad I'm not a cat

I wish I was a cow
I'd moo around all day
In a leather coat
I'd moo around all day

But I don't want to be meat
I don't want to be meat
I don't want to be meat
I'm glad I'm not a cow

I wish I was human
I'd drive around all day
In a silver car
I'd drive around all day

But I don't want to eat burgers
I don't want to eat burgers
I don't want to eat burgers
I'm glad I'm not human

I wish I was a cat
I'd lie around all day
In a soft white coat
I'd lie around all day

But I don't want to eat catfood
I don't want to eat catfood
I don't want to eat catfood
I'm glad I'm not a cat

Quisiera ser gato
Todo el día tumbado
En un suave abrigo blanco
Todo el día tumbado

Pero, no quiero comer comida para gato
no quiero comer comida para gato
no quiero comer comida para gato
Estoy contento no soy gato

Quisiera ser vaca
Haciendo muu todo el dia
en un abrigo de piel
Haciendo muuu todo el dia

Pero, no quiero ser carne
no quiero ser carne
no quiero ser carne
estoy contento no soy vaca

Quisiera ser humano
Conduciría todo el día
Un coche plateado
Conduciría todo el día

Pero, no quiero comer hamburguesa
no quiero comer hamburguesa
no quiero comer hamburguesa
Estoy contento no soy humano.

Quisiera ser gato
Todo el día tumbado
En un suave abrigo blanco
Todo el día tumbado

Pero, no quiero comer comida para gato
no quiero comer comida para gato
no quiero comer comida para gato
Estoy contento no soy gato
